

# EnterTRAINment Junction Entertainment Complex

Architect: FRCH Design Worldwide  
Duration: 7 Months

Oswald Company converted a furniture warehouse store into a one-of-a-kind family destination. At 80,000 SF, EnterTRAINment Junction has the world's largest indoor train display, an indoor playground, an outdoor train ride, a museum, themed walk-through mazes, and much more. Guests can purchase items at the cafe and gift/hobby shop. EnterTRAINment Junction also hosts events, from children's birthday parties to business meetings to banquets.
