

South Towne Centre

Oswald has completed a "face lift" of South Towne Centre near the Dayton Mall. This multi-phased project involved facade and roof renovations as well as interior tenant finishes. Also included was a 37,000 SF expansion and exterior renovation of Burlington Coat Factory. All tenants were fully operational during construction.

Developer: Centro Properties
Architects: Tem-Con, DZA, Casco, &
CR architecture + design

"I have come to trust and respect Oswald Company over the past few years and know that I can expect a quality-driven project every time."

-Brad Copp, Senior Project Manager, Midwest
Centro Properties
